**PETITIONING THE COURT**

To incorporate the violations contained in this petition in future proceedings with the violations previously reported to the Court on 01/15/2025. An arrest warrant has been previously issued by the Court for Mr. Murillo.

On December 4, 2024, conditions of supervised release were reviewed with Mr. Murillo. He signed his judgement acknowledging an understanding of his conditions of supervision.

The probation officer believes that the offender has violated the following condition(s) of supervision:

Violation Number      Nature of Noncompliance

8      **Special Condition # 4:** You must abstain from the use of illegal controlled substances, and must submit to urinalysis and sweat patch testing, as directed by the supervising officer, but no more than 6 tests per month, in order to confirm continued abstinence from these substances.

**Supporting Evidence:** Mr. Murillo is considered to be in violation of his conditions of supervised release by consuming a controlled substance, marijuana, on or about January 18, and 19, 2025.

On January 22, 2025, Mr. Murillo submitted a urine sample at the U.S. Probation Office that was presumptive positive for marijuana. Mr. Murillo signed a drug use admission form indicating he used on January 18, 2025, and again on January 19, 2025. The urine sample was not sent to Abbott Laboratory for confirmation as Mr. Murillo did not provide a urine sample that would be sufficient enough to send to the laboratory.
